

# HMR SERIES

Multi-recyclers

The HMR-series Multi-recycler is designed to cut and reduce various materials. The resulting materials can be used for further processing or moved from the site more easily after being cut to a manageable size.

The convenience of the HMR multi-recycler is in its mobility. If you are looking for a tool which will help you reduce scrap heaps at a variety of locations, the HMR multi-recycler is an excellent solution.

Suitable for cutting:

- Wood
- Paper
- Plastic
- Light scrap
